

Amber MB * Art Show *

Contemporary artist – abstract paintings – Art Shows – Workshops

Art Show

In 1,5 hour Amber MB creates a work of art.

This is done in front of a live audience.

Interaction with the public during the performance influences the final result.

After a short introduction she starts painting. The canvas is put on the floor, the paint is poured right on it. With tools like a window squeegee or her bare hands the work is born right in front of your eyes.

Result and fun guaranteed!

ABOUT THE ARTIST

Creating a unique perspective makes her paintings very accessible. Her paintings are a reflection of her inner world. Inspired by nature, architecture, music, photography. She creates intuitively with unusual tools like spatulas and squeegees.

Live painting in front of an audience -**Art Show**- is possible at any location.

Drawn to different forms of art from childhood, she started practising music, poetry, fashion, photography and painting. One form inspires the other. She's an educated fashion designer and goldsmith.
